PERFORMANCE INK,
INCORPORATED

MATERIALS:

Performance Ink is committed to providing the best product for the best price. We use only top quality materials to produce the parts found in this catalog. If you ever have questions about materials please feel free to contact us at any time. Please read over the information below to find out more about the materials used by Performance Ink. The majority of our parts are produced in our plant in Columbia, South Carolina.

MEMBRANE SWITCHES:

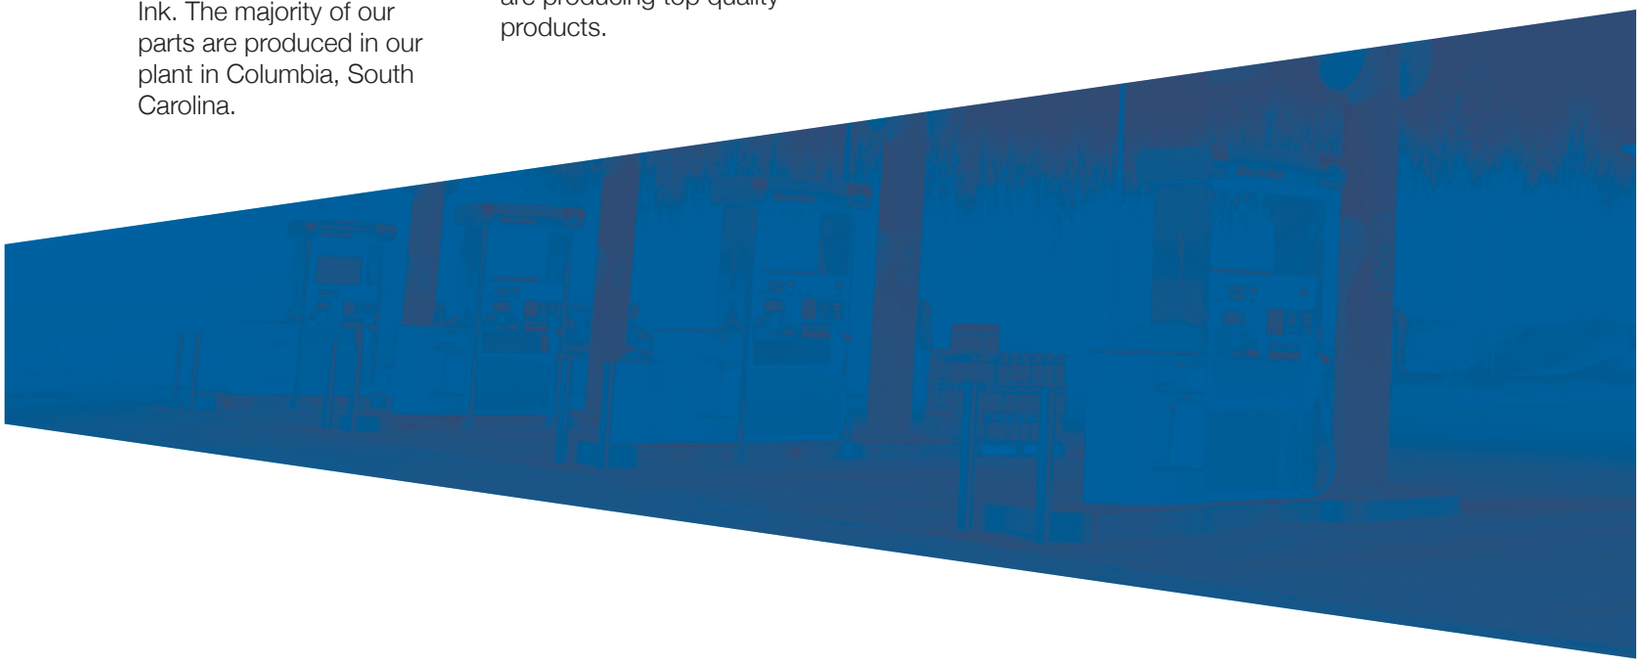

Membrane Switch keypads produced by Performance Ink are made for premier performance. We use top quality components in the production process. We produce Membrane Switch Keypads for many industries all over the United States and world and only work with the best suppliers to make sure we are producing top quality products.

OVERLAYS:

Overlays produced by Performance Ink are made from UV treated and weatherable polycarbonate. These parts are printed with UV ink and are made to withstand the conditions they will face. These parts are made to be tough and resistant to the rigors of changing weather conditions and everyday use.

LENSES:

The plastic lenses produced and provided by Performance Ink are made from UV Stabilized polycarbonate. This allows for premier performance in the conditions required. Polycarbonate is tough and extremely resistant to breaking or cracking. UV Stabilized means that our lens are also resistant to yellowing and dis-colorization.

PERFORMANCE INK,
INCORPORATED

SEALS WITH YOUR LOGO NOW AVAILABLE!

Security Seal Kits

Our non-residue security labels are proven-in-use as an effective tool to combat tampering at gasoline pumps and dispensers.

- After applying to access hatches and doors, these labels help to indicate if credit card skimming equipment has been inserted inside the gas dispenser.
- When removed, the security label shows the words VOID OPENED in the label film. Our non-residue security labels do not leave any adhesive residue on the gas dispenser surface.
- This is a one-time use product, which is suitable for outdoor applications.

CALL: 803-748-1000

www.performance-ink.com

Custom seals available. Call today to have seals made with your company logo and verbiage. Speak with a Performance Ink rep or call today for pricing and availability.

Performance Ink, Inc. manufactures and distributes NEW non-OEM replacement parts and products. ORDERS:

Place your order by email, fax, telephone or web. We require a $50.00 minimum order. Please contact us to place an order or to help answer any questions you may have.

Email: sales@performance-ink.com
Fax: 803.783.6947
Phone: 803.748.1000

SPECIAL ORDERS:

Performance Ink manufactures the majority of our parts. This allows us to provide a quick turn around for special order needs you may have. If you are unable to find what you are looking for in our catalog please call 803.748.1000. We may already have the needed part in stock or it can likely be produced within 1-2 weeks.

Online Ordering:

For 24/7 ordering, visit at performance-ink.com. Here you will find our online catalog, e-store and other information about Performance Ink and our line of products.

DELIVERY & SHIPPING:

For parts we currently have in stock, orders will ship the same day if order is received by 2:30 pm EST. Special orders will ship within 1-2 weeks. Parts are shipped from Columbia, South Carolina. Most shipments are shipped via UPS unless a different service is requested. We are happy to accommodate any special shipping instructions requested.

PAYMENT TERMS:

Payment terms are Net 30. We also accept Visa, Mastercard, Discover, and American Express. We do reserve the right to hold shipments until your account is paid current.

WARRANTY:

Performance Ink is committed to the quality of our products. Parts are designed and manufactured to replace OEM products. Parts are warrantied to be a fit for use as replacement parts. Performance Ink parts carry a one year warranty on malfunction due to manufacturing defect. This warranty does not cover malfunction due to abuse, modifications, misuse or conditions of storage or of use. Returned parts will be tested to determine cause of malfunction.

RETURNS:

Performance Ink does allow for returns due to warranty issues or mis-ordered parts. Returns must be made by contacting Performance Ink for a RMA number. Warranty returns are accepted within the one year warranty offered. Performance Ink must be contacted within 14 days from date of invoice for returns due to incorrect ordering. Returns after this period will be charged a 15% restocking fee.

Performance Ink manufactures and distributes NEW non-OEM replacements parts and products. Manufacturer trademarks, service marks, logos, brand names, and brand models are the property of their owners. Representations of and references to brand names, models or parts contained herein are for informational purposes only and are not intended to indicate or imply any affiliation with or endorsement by the manufacturer.
